- unit. The total undivided interests allocated in accordance with subdivision (1) or (2) must equal one hundred percent (100%).
- (b) With respect to an expandable condominium, the declaration may allocate undivided interests in the common area on the basis of value if:
 - (1) the declaration prohibits the creation of any condominium units not substantially identical to the condominium units depicted on the recorded plans of the declaration; or
 - (2) the declaration:

1 2

2.8

- (A) prohibits the creation of any condominium units not described in the initial declaration; and
- (B) contains a statement on the value to be assigned to each condominium unit created after the date of the declaration.
- (c) Interests in the common areas may not be allocated to any condominium units to be created within any additional land until the plats and plans and supplemental declaration depicting the condominium units to be created are recorded. Simultaneously with the recording of the plats and plans for the condominium units to be created, the declarant must execute and record an amendment to the initial declaration reallocating undivided interests in the common areas so that the future condominium units depicted on the plats and plans will be allocated undivided interests in the common areas on the same basis as the condominium units depicted in the prior recorded plats and plans.
- (d) Except as provided in **section 3.5 of this chapter and in** IC 32-25-8-3, the undivided interest of the owner of the condominium unit in the common areas and facilities, as expressed in the declaration, is permanent and may not be altered without the consent of the co-owners. A consent to alteration must be stated in an amended declaration, and the amended declaration must be recorded. The undivided interest may not be transferred, encumbered, disposed of, or separated from the condominium unit to which it appertains, and any purported transfer, encumbrance, or other disposition is void. The undivided interest is considered to be conveyed or encumbered with the condominium unit to which it appertains even though the undivided interest is not expressly mentioned or described in the conveyance or other instrument.
- (e) The common areas and facilities shall remain undivided. A condominium unit owner or any other person may bring an action for partition or division of any part of the common areas and facilities if the property has been removed from this chapter as provided in IC 32-25-8-12 and IC 32-25-8-16. Any covenant to the contrary is void.
